APRIL 2018

Peggy's Paragraph...

It is hard to believe that Spring is here. Hopefully, the temperature will be going up soon! We wish all our families a relaxing Spring break. Safe travels to those traveling over the next week. After the break, we are hoping that the weather will be warm and dry so the children can venture onto the playground. There will be a head check when we return from break as well.

Spring Vacation begins after conferences on Friday, March 23 and resumes on Tuesday, April 3.

A BIG thank you to those families who participated in the Malley's Fundraiser. The total amount of sales cannot be tabulated until the fundraiser officially ends on Monday, March 26 at 11:59 p.m. You may place online orders until then and have guaranteed delivery before Easter. The winner of the month of free tuition will be on the website on Tuesday, March 27!

Final Tuition Payment

The final tuition payment for the 2017- 2018 school year is due on April 15. The majority of families will pay the usual amount. I will be sending a note upon the return to school if a different amount is due. If you enrolled late in summer or during the school year, your final payment is due by May 10.

Spring Break

Monday, March 26 – April 2. School reopens on Tuesday, April 3. Enjoy this time with your family!

In the Classrooms...

3 Year Olds

Shape of the month: Oval!

Color of the month: Purple!

Skill of the month: Cutting and Tracing Name!

The children will be enjoying Spring activities even if the weather may not feel like it. The children will be making April showers and umbrellas. Be sure to check out the pond in the hallway that will be home to many ducks, turtles, and frogs that the children create. The children will discuss our feathered friends, birds, and make bird feeders. The children will also make kites.

4 Year Olds & PreK

The 4 year olds will be introduced to the letters V, W, X, and Y.

The PreK class will be introduced to the letters, U, V, W, X, Y and Z.

The 4's and PreK will enjoy the month of April traveling together. This is the teachers' favorite month, traveling around the world.

The children will receive passports, make suitcases, and board a plane to fly around the world. The itinerary is a full of fun places that the children will enjoy visiting.

Please notice the letter in your packet that asks for postcards around the U.S. and the world from family and friends. This is always an exciting time for the children to get "mail" at school. The postcards will be posted on the Bulletin Board and will be given to your child at the end of April.

The first week of April we will prepare for our trip and the children will pack their suitcases. The 4 year olds will learn about their home state, O-H-I-O while the PreK will be busy packing and preparing for their long vacation. The flights depart the week of April 9.

The itinerary planned by Community Preschool Travel Line is:

New York City, Washington D.C., Alaska, Hawaii, Australia, China, Italy, France, and Norway.

As you can see, it is a whirlwind trip. If you have been fortunate enough to travel to any of these destinations and have souvenirs, please send them in to share with the children. Great care will be taken with them.

The children will be doing crafts that correspond with the destination that day. Some of these "souvenirs" will be posted on the bulletin board to share our journey with you. On your child's special day, feel free to provide a snack that is eaten in the country/state that is being visited that day.
