Peggy's Paragraph...

Let the countdown to Christmas begin...

The children have been very busy getting ready for this special holiday season. The children have enjoyed making a surprise for the special people in their lives. We hope you enjoy the holiday program the children will perform for you.

Please be sure to enjoy the goodies that will be downstairs after the performance.

The entire staff wishes you a very blessed holiday season. We wish you good health and happiness in 2018. Safe travels to everyone over the winter break.

It is only a matter of time before the winter weather blankets us with snow and ice. Please remember to drive slowly in the parking lot. Feel free to call the school for a staff member to walk your child into the school for you.

If you need to use the lower driveway in the snow, please drive carefully. It can be very icy. If you see the staffs' cars in the top lot, that is a good sign that it is too icy.

-Peggy

Happy Hanukkah,
Merry Christmas &
Happy New Year!!!

In the Classrooms...

3 Year Olds

Your child may bring in 1 gift that he/she received to show the class on the first day back. It will be an incentive to feel secure about the return to school after a long break.

The children will celebrate winter by making mittens, snowmen, ice painting, and learning about penguins. We will be focusing on the skills of cutting, name recognition, and writing names.

Color of the month: Yellow! Shape of the month: Star!

4 Year Olds

The children may bring in 1 gift that they received to show their friends on the first day back to school.

Letter of the month: L, M, N, and O!

- The children will share "The Mitten Story" and "Snowmen at Night". The children will work on numbers and opposites.

Pre-K

Each child may bring in 1 toy that he/she received at the holidays.

- After a holiday hiatus from the alphabet, the children will be introduced to the letters: L, M, N, and O.
- The Pre-K will focus on letter sounds learned thus far and make a game to play at home.
- The children will share information about their Mom.
- The children will enjoy doing some creative painting with different media.
- The children will conclude the month with fun facts about their home state O -H-I-O.

DECA

Community Preschool is anticipating an order of \$1,200 from Lakeshore School Supply in a few weeks. This is a wonderful incentive for our participation in the DECA program.

The manipulatives that are purchased help reinforce your child's regulation, initiative and attachments.

Ms. Diana and Ms. Peta, from Catholic Charities, come weekly to each class to reinforce the DECA factors. It is a wonderful program that strengthens relationships with others.

Semi-Annual Tuition Payments

If you chose the semi-annual payment plan, the next installment is due by January 16.

2 day 3 year old: \$520
 3 day 4 year old: \$720

Fun fact of the Month...
