March 2017

Peggy's

Paragraph..

The celebration of individual VIP days will continue for a few more days. Thank you for making your child feel extra special on his/her day. The Geauga Mental Health Association had provided this awesome program that helps develop a positive self-esteem beginning at this young age. Community Preschool had been a part of this program since its inception.

We felt this program was too valuable to end it, so we revamped it a bit.

In the next few weeks, you will be asked to complete another DECA assessment for your child. Results will be shared at parent - teacher conferences.
